Schoolreaders improving literacy · increasing life chances

Could you volunteer to listen to children read in school?

Make a Difference to Children's Life Chances

National children's literacy charity, Schoolreaders is looking for volunteers in your community to listen to children read in primary schools.

Even before the pandemic, 1 in 4 children were leaving primary school unable to read well and our service is more in demand than ever after months of school closures. Worryingly, estimates suggest the most disadvantaged pupils are now seven months behind their peers. Children who struggle with reading are more likely to live in poverty and to be unemployed as adults.

No qualifications are required to join Schoolreaders as a volunteer, just a love of reading, some spare time each week in term time and a willingness to go where children need you the most. The joining process takes a few weeks so apply today!

Find out more and apply at: Schoolreaders.org

"There is so much enjoyment to be had from the one-to-one sharing of a book with a child. I have had funny and fascinating discussions about ice-cream flavours, pirates and David Beckham!"

Janice, volunteer

Schoolreaders CIO. Registered Charity: 1159157

Locally based and working with homeowners, schools, businesses and parish councils, we specialise in tree work and garden care

Spring Term Course

Begins Monday 9th January 2023 for 10 weeks

At Bluntisham Baptist Hall ~ 10.00am to 11.45am

900 Years of British Agriculture

The course takes a chronological approach covering the years 1066-1945. The focus is on the development of agricultural techniques, the effect on people's lives and the way in which the landscape has been changed as a result of human activity.

The course uses a variety of material - family written sources, oral history, popular song and documentary film. This enables study of the human aspect, particularly the lot of the agricultural labourer.

Tutor: Mike Muncaster Fee: £50
