Chatteris Church of St Peter & St Paul

How well do you know your local Church?

The Church of St Peter & St Paul has been a place of Christian worship since the 10th c. Sunday worship continues to cater for children and families while Christenings, weddings, and funerals are arranged for people in our community. The church is open every day to serve the whole town and is looking to build further partnerships for the common good.

The Children and Families' Outreach Team organize regular high energy events inside the Church. They also deliver lessons and assemblies for pupils at Kingsfield, Glebelands and Cromwell schools. The Pastoral Team make home visits with the elderly and run courses in bereavement care. The Parish Nurse is building a strong partnership with George Clare surgery and running group support for personal well-being.

Chatteris Church provides an essential hub of support. Arts' Cafe is run outside in the community but Toddler Praises and Christian inquiry groups take place in the Bricstan Hall. The Catholics also use the Hall for their Sunday services. At other times, the Hall is available for community groups to hire.

The Food Bank coordinates the collection and distribution of food from inside the church. Chatteris Resettlement Hub welcomes refugees and assists new immigrants as they settle into our town. Many others have turned to the church in times of crises. Working in partnership with the police, we have helped eleven women to leave an abusive relationship. The church takes the safeguarding of children and vulnerable people seriously and over 40 members of the Church community have undertaken special training.

Although the church is run by volunteers and completely dependent on donations, annual events like the Christmas Craft & Food Fayre provide vital funds as well as to build our links with local businesses, charities and community groups. Concerts and performances attract large audiences perhaps due to the comfortable seating and excellent acoustics, hopefully inspiring the next generation of musicians also.

All of these activities demonstrate that Chatteris Parish Church of St Peter & St Paul is engaged as a vital part of our local community. It is a place where people continue to find faith, friendship, and support, and to celebrate the joys and challenges of our life together. Why not find out more?

Volunteering is a wonderful thing to do, it makes a huge difference to those you support and gives a positive boost to your own wellbeing as well!

Our volunteers enable us to deliver high quality and reliable services, through short term intervention that promotes independence, wellbeing, and reconnection with the community for local residents. We are currently recruiting volunteers in your area, to support local residents.

The positive impact volunteering has on our client's lives is clear...

"I will be forever grateful for you and all the volunteers. It takes a special kind of person to help and care about total strangers."

"A very big thank you for going over and above in helping me when I needed it most"

"Absolute life savers. Not sure what I would have done without your help - well you can't live without shopping and my volunteer is lovely."

Whether you have a lot or only a little time to offer, and are over 18 years of age, there will be something to suit with the flexible Care Network Cambridgeshire Volunteer roles.

We do not require set day/s or hours each week, unless that works better for you.

Volunteers complete a simple application process, provide two references, and after an appropriate DBS check will be offered an induction session.

After training you will have a named Coordinator, further training opportunities, social events, ongoing support and be reimbursed for any agreed out of pocket expenses!

Would you like to become part of the Care Network Team? For more information, please get in touch.

◆ HOW WILL YOUR FENCE LOOK AFTER ANOTHER UK WINTER? ◆

COLOURFENCE - no painting or repairs for 25 years!†

Don't wait until your timber fence breaks down. Prevention is better than cure!

“ Maintenance free and great value too! ”

As autumn takes hold, we hear from customers who choose ColourFence because their old fences have blown down or rotted through, causing anxiety about pets escaping or even unwanted intruders. This, paired with the fact that there is no need for ongoing maintenance allows them to break the expensive, monotonous cycle of painting, repairs and replacement. ColourFence is guaranteed not to warp, crack, shrink, rot or peel for 25 years*. Making it one of the world's best maintenance-free fences. Unlike other fences, ColourFence can withstand gusts of wind up to 130mph. There's a choice of colours to harmonise and enhance your garden's design. You'll find our prices surprisingly competitive too. Why wait until an urgent replacement is needed? **To see the full product range, call us today and find out why it makes sense to choose ColourFence.**

“ Despite many coats of preservative, the structure of the wooden fence in our front garden rotted, and a recent storm sent it off down the road, thankfully missing the neighbour's car. However, every

cloud has a silver lining, and we couldn't be more pleased with our new ColourFence. It looks great, and we are looking forward to years of summers with no fence paint or algae treatments.
