● HOW WILL YOUR FENCE LOOK AFTER ANOTHER UK WINTER? ●

COLOURFENCE - no painting or repairs for 25 years!†

Don't wait until your timber fence breaks down. Prevention is better than cure!

“ Maintenance free and great value too! ”

As autumn takes hold, we hear from customers who choose ColourFence because their old fences have blown down or rotted through, causing anxiety about pets escaping or even unwanted intruders. This, paired with the fact that there is no need for ongoing maintenance allows them to break the expensive, monotonous cycle of painting, repairs and replacement. ColourFence is guaranteed not to warp, crack, shrink, rot or peel for 25 years*. Making it one of the world's best maintenance-free fences. And, unlike other fences, ColourFence can withstand gusts of wind up to 130mph. There's a choice of colours to harmonise and enhance your garden's design. You'll find our prices surprisingly competitive too. Why wait until an urgent replacement is needed? **To see the full product range, call us today and find out why it makes sense to choose ColourFence.**

- Guaranteed* not to warp, crack, shrink, rot or peel
- Withstands wind gusts of up to 130mph
- No painting or repairs for 25 years*
- Create your look with a choice of colours, designs and sizes
- No risk professional installation

To see our wide choice of sizes, mix and match colours and designs contact us today!

“ Despite many coats of preservative, the structure of the wooden fence in our front garden rotted, and a recent storm sent it off down the road, thankfully missing the neighbour's car. However,

every cloud has a silver lining, and we couldn't be more pleased with our new ColourFence. It looks great, and we are looking forward to years of summers with no fence paint or algae treatments.

Mr & Mrs P. Glamorgan

*Hose down several times a year – terms & conditions apply.

Schoolreaders

improving literacy • increasing life chances

Could you
volunteer to listen
to children read in
school?

Make a Difference to Children's Life Chances

National children's literacy charity, Schoolreaders is looking for volunteers in your community to listen to children read in primary schools.

Even before the pandemic, 1 in 4 children were leaving primary school unable to read well and our service is more in demand than ever after months of school closures. Worryingly, estimates suggest the most disadvantaged pupils are now seven months behind their peers. Children who struggle with reading are more likely to live in poverty and to be unemployed as adults.

No qualifications are required to join Schoolreaders as a volunteer, just a love of reading, some spare time each week in term time and a willingness to go where children need you the most. The joining process takes a few weeks so apply today!

Find out more and apply at:
Schoolreaders.org

"There is so much enjoyment to be had from the one-to-one sharing of a book with a child. I have had funny and fascinating discussions about ice-cream flavours, pirates and David Beckham!"

Janice,
volunteer

Schoolreaders CIO. Registered Charity: 1159157

HUNTS RAMBLERS

It is widely considered that getting outdoors and going for a walk, whatever the season, is a great way to boost your health and happiness.

Taking part in a group walk with a trained leader offers the additional benefits of socialising while not having to plan a route nor running the risk of getting lost! There are any number of walking groups in the area, from small informal groups to planned programmes.

Of the latter, **Wellbeing Walks** (run by Hunts District Council) organises outings on weekdays which mostly cover 3-4 miles and last approximately 1 hour. Walks are free to join. Further details can be found on the District Council website at: <https://www.huntingdonshire.gov.uk/leisure/wellbeing-walks/> Huntingdonshire Ramblers is part of the national group. Walks typically take place at weekends but many are arranged on weekdays and evenings, particularly in summer. There is a programme throughout the year offering a variety of routes in the countryside around Huntingdon, across Cambridgeshire and the surrounding area. They're

mostly rated leisurely or moderate. Distances vary from 4-14m (7-23km). Booking is not required and the walks listings explain when and where to meet and what to expect. New walkers can try one or two of the walks for free before taking out Ramblers' membership. Visit the Hunts Group website at: <https://huntsramblers.org.uk/> or email huntsrambler-publicity@gmail.com for further information.

Whatever arrangement suits you, tog up, step out and enjoy!
