Teenagers need families too, could you be the perfect fit?

Teenagers in foster care are often overlooked, yet they need the same things every child does—guidance, support, and love.

Right now, thousands of teens are waiting for foster families who can offer them not just a home, but a future. Foster carers Nicky and Geoff have found real purpose in supporting teenagers. "They need independence, but they also need to know someone's there for them," says Nicky. From budgeting and education to encouraging hobbies and friendships, they enjoy helping young people grow into confident, capable adults.

Their advice for new carers? "Nexus Fostering can help you decide if fostering is right for you. Be ready for emotional challenges, stay open-minded, and have a good support network. Teenagers in care don't just need a place to stay—they need people who believe in them."

To find out more contact Nexus Fostering on 01223 903 503 or visit www.nexusfostering.co.uk.

**Become a foster carer and change
the lives of children near you.**

**From emotional support to teaching life skills, you
could make a positive difference to a child's life.**
