Why is your house full... but your loft is empty?

Local homeowners are discovering storage space they already own

With growing families, home working, and ever-increasing storage demands, many homeowners are finding their houses feel cluttered, even though there's often a large, unused space directly above them.

Home Counties Loft Ladders is a local company that helps homeowners safely and correctly use their loft space. By improving access, lighting and boarded storage areas, most installations are completed in less than a day, with minimal

disruption to the home.

Jamie Oakley, Manager at Home Counties Loft Ladders, explains: *"Most people know their loft is there, they just don't use it because access is awkward or unsafe. Our job is to make that space easy, safe and practical to use."*

"We work to three simple principles: Quality in our materials and workmanship, Integrity in how we treat people's homes, and Value in offering a fair price for a job done properly."

That approach has led to much of the company's work coming from recommendations by previous customers, homeowners who wanted the job done correctly, without mess or hassle.

To find out how you could make better use of your loft, call Jamie on **0808 301 9552** or visit homecountiesloftladders.co.uk to book a free, no-obligation quotation. You may be surprised how much space you already have.

We make your loft **usable** and **safe**.

CAMMS Meals on Wheels: More Than Just a Meal

At CAMMS Meals on Wheels, we believe no one should face hunger or isolation because of age, illness, or disability. That's why our small, independent charity delivers not just nutritious meals, but daily care and connection across Cambridge City, Fenland, East Cambridgeshire, South Cambridgeshire, and Huntingdonshire.

What We Do

We deliver **two-course lunches** Monday-Friday (and seven days a week in Cambridge City). Customers can choose from **four mains and four desserts daily**, with menus rotating every two weeks. We also cater for a wide range of dietary needs, ensuring every meal is suitable and satisfying.

More Than Food

Our **DBS-checked volunteer drivers** are often the only contact our customers see each day. Beyond meal delivery, they provide a friendly face, a listening ear, and in emergencies, will alert our office to contact family or services.

How You Can Help

As a grassroots charity, CAMMS is always looking to **build awareness and partnerships**. By working together, we can reach more vulnerable people in our community who may benefit from our service.
